

Trillium's Storybook

Please take a few minutes to jot down a story about someone in Trillium. The story could be about meeting someone for the first time, a special activity, the start of a catch phrase, an event that was memorable, anything that you want to share. The story can be something that is funny, sad, puzzling, or exciting. Please take the time to record a piece of Trillium's history.

(Please return form to Trillium main office.)
