Trillium Works!
“Connecting People with Communities”

Supported Employment Services

Supported Employment Services is CARF accredited in: Employment Services: Community Employment Services: Job Development, Job Supports, and Job-Site Training. Employment Services: Employment and Planning Services.

Frequently Asked Questions

Trillium Services is a leader in providing person centered services for people with disabilities and other related conditions. Our philosophy moves beyond traditional models of service by promoting self-determination and community inclusion as ways of achieving personal outcome goals and objectives. Everyone wants to have the life they dream of and our goal is to help make those dreams possible.

Trillium Works! provides supported employment services to adults who are seeking employment, assistance learning job skills and/or maintaining employment in the community. The three phases of supported employment services include:

Job Development

In this stage we identify each person's specific career path based on their employment preference. Our development specialists provide 1 on 1 assistance with the application and interview process.

Job Site Training

Once a job is secured, our employment specialists will assess the job site and determine the support needed to succeed. A task analysis will be developed that will provide a step by step description of job duties and employers expectations.

Job Coaching

We provide long-term supports and training to further enhance the work experience and maximize independence. Our job coaches provide a wide variety of supports that focus on building or developing new job-related skills.

How do I begin services with Trillium Works!?

You will need to have a Case Manager and a funding source from your local County Social Services. Your Case Manager will make a referral and will determine which services you are eligible for. If you obtain funding, your Case Manager will set up a meet and greet with Trillium Works! to gather information. If you choose Trillium Works!, then an Admission meeting will be set up.

What will I gain during my time at Trillium Works!?

A meaningful employment experience geared to your specific wants and desires.

What is the expected wait time to start receiving services?

Although Trillium Works! does not have a waiting list, if one is necessitated in the future the order of service initiation would be determined by the date and time of referral.

What are the staff's qualifications?

All employees receive extensive training and ongoing training specific to your individual needs. Employees must be 18 years of age, have a high school diploma, and pass a Department of Human Services background study.

What are some employment options your agency found in the community?

A few examples of employment sites and job duties include:

- Child care: preparing for snack time, monitoring nap time, and taking kids to the bathroom.
- Health club: general cleaning such as bathrooms, tanning beds, equipment, and vacuuming.
- Elementary School: lunch aide (monitoring kids while eating, wiping tables, setting up for and cleaning up after lunch).
- Retail: stockroom associate (processing shoes by unwrapping and tagging them and filling the shelves on the sales floor).

What type of services do you provide?

Trillium Works! provides support and assistance in the job searching process such as looking online and in newspapers for openings, filling out applications, completing follow-up calls, promoting our program to potential employers, prepping for interviews, and taking them to interviews. Once a job is obtained we provide job coaching services by teaching work skills and promoting independence in the community and at their job. We also provide support in building work skills and experience through volunteering in the community.
